

CREPES

Freshly made crammed with either sweet or savoury goodness (or a mix of both!), crepes will always be a winner at any event!

Crepes are thin, pancake-style food, served hot and delicious! Choose from either sweet fillings such as chocolate or lemon and sugar, or savoury filling such as cheese and ham or roast chicken. Or why not offer both, starting with a savoury crepe and finishing with a desert crepe!

Full menu available on next page (or contact us for any other combination). Egg free crepes are also available.

Both styles of crepes are cooked by our friendly attendants and are presented on our stylish black fun fair style carts, all served in a convenient triangle of goodness!

Perfect as a winter warmer, an appetiser or dessert at any wedding, birthday party or community event, crepes make the perfect alternative to doughnuts but the greatest accompaniment to every event!
