

RODEOS

Hop on and hold on! With a choice of 5 rodeos, create the memories that will last a lifetime taking on the traditional bull or Rudolph at Christmas on our rodeo ride.

Rodeo rides are a truly exciting activity and attraction at any event – be it corporate or a private party, it will leave your guests with memories to last them a lifetime. Our rodeos can be used inside or out as each comes with a large inflatable marquee as standard in the event of wet or very hot weather when being hired for outdoor events.

Each rider hops onto the rodeo and grabs the rope; our operator will then start the rodeo at a slow, gentle speed. As the rider gains confidence, the speed increases! Our rodeos come with digital timers on our console to mark how long each rider lasts, so you can judge a winner and hold competitions! Pick from our rodeo bull or Rudolph reindeer ride.

Please note: The mechanical rodeo rides always come with a trained attendant as standard.

ACCESS RESTRICTIONS:

- No stairs without prior consultation
- Access nearby for transit van (equipment is very heavy and cannot be transferred over large distances)
