

# CHIP CART

Serve up fresh, hot chips at your event from our mobile chip cart. Comes with and attendant to cook and serve.

Our mobile chip cart hire is perfect for events where you want to serve up a hot, tasty snack that caters to all taste buds. Chips are naturally gluten free, vegan and halal friendly, and loved by everyone! Our mobile chip stall is small and compact but big on flavour! Because our mobile chip cart can be set up inside it is a great alternative option to a chip van for your catering needs - we can set up in a smaller area or venues where outside space is limited.

The mobile chip cart comes with an attendant to cook and serve, as well as condiments. Serve your chips with salt, vinegar, ketchup, mayonnaise or brown sauce as standard. We also have the optional upgrades of offering cheesy chips, gravy and curry sauce. if you are planning an Oktoberfest event we can decorate the chip cart with Bavarian decorations as well as the optional upgrade of sauerkraut, crispy fried onions, pickled gherkins.
